

## **Catch-up Tutoring for Reading, Spelling and Writing with Systematic Synthetic Phonics - suitable for Reception to Year 6 and Key Stage 3**

An advantage of the SSP programme *Sound Discovery*<sup>®</sup> is the small group catch-up teaching methodology which makes tutoring costs economical. In addition the lesson plans, accompanying resources, texts and stories can be used with as many children as necessary as the materials are photocopiable, which significantly reduces the cost of resources.

### **Catch-up Training Package:** (special price @ 50% discount for this catch-up government initiative) **£250**

- 5 PPT Modules with embedded audio and video. 2 ¾ hours. For unlimited number of tutors in a single school. Available indefinitely for the purchasing school for refresher training. Modules last about half an hour – ideal for twilight or home learning
- Separate webinars for discussion with authors available for purchase if needed

### **Tutor Pack:** **£54.40**

Provides:

- Manual which includes:
  - Outline of programme
  - Directions for modelled writing
  - Photocopiable sound cards for teaching the alphabet and digraphs in the initial alphabetic code (42 sounds) and for teaching alternative graphemes in the advanced alphabetic code
  - Photocopiable syllable and morphological unit cards for teaching more complex written language
  - Quick and easy-to-use assessment for code knowledge and a summary form to record code knowledge
- Placement Tests
  - Quick and easy-to-use assessments for reading and spelling
  - For placing children on the programme at the right level.

### **Teaching Packs**

There are three different levels. Each contains easy-to-teach prepared lesson plans, resources of word, sentence and tricky word cards to teach each lesson plus decodable stories and texts, with writing and comprehension activities. Virtually all are photocopiable.

**Pack 1:** 153 lesson plans to teach the **initial alphabetic code**, resource materials, handwriting sheets, 40 decodable stories and one set of 12 King Wizzit Storybooks. **£192.50**

**Pack 2:** 80 column sort lesson plans to teach the **advanced alphabetic code** and to help children make the right spelling choices, resource materials, 42 decodable stories **£147.50**

For the weakest children there are, in addition, 80 classic lesson plans and resources for teaching each alternative spelling in sequence £82.50.

**Pack 3:** 23 teaching notes and lesson plans for teaching syllables, syllable division and morphological units in **complex words**, resource materials, 27 decodable texts **£72.50**

The Words and Sentences Handbook 2 is also useful when teaching polysyllabic words £25.
